CRC Marine 66 ADRCM66

is a multi-purpose oil designed to prevent damage due to water and salt atmosphere in marine engines and boating equipment.

- Lubricates for smooth action – Silences annoying squeaks and squeals.
- Corrosion protection, penetrates quickly – Breaks away rust and corrosion, frees components bonded by dirt and scale.
- Eliminates the need for many disassembly operations.
- Protective film – Ongoing protection against water and salt atmosphere.
- Displaces moisture to help start wet engines.
- Preventative maintenance programs – increase life of mechanical equipment.
- Safe on all metals and alloys, most painted surfaces, coatings, plastics and rubbers.
- Contains no silicone.

- Displaces, penetrates, lubricates and protects. 300gm \$ 16.00
- INOX-mx3 contains no silicon, acid, kerosene or dieselene. 5 litre \$ 112.00
c/w free applicator bottle
- INOX-mx3 doesn't dry out, gum up, become goeey or sticky or wash off with water. ADINOX...

PB Blaster ADPB...

The world famous PB Blaster Penetrating Catalyst is more than just great. PB quickly breaks loose surface tension rust and corrosion by creeping up, around and in to hard-to-reach cavities. It's ideal for brake, exhaust and suspension system jobs. Plus, lubricating film remains on parts to help prevent further rusting.

So fast... capillary action helps PB Blaster work where others fail! PB frees everything faster. Rust, corrosion, sticking, and squeaking problems are eliminated! PB also displaces moisture, and DOES NOT EVAPORATE. It remains on the surface as a lubricant and rust inhibitor.
